## Gifts

Our church theme this year is gifts. It's the season of gifts and they say it's more blessed to give than receive but it is nice to receive!

Assuming you're going to receive something nice; are you the type of person who loves the anticipation of knowing what you're going to get or do you like surprises? It may depend on what it is. Something wrapped up in a box can be a great surprise but the anticipation of an event that you hold a ticket for or the knowledge that someone you love is coming to visit can make the experience far more exciting.

For me the gift of new born life is the greatest gift one can receive. We understand the biology but new life is always a miracle pointing to something bigger than we can understand. There's nine months of great anticipation and the birth brings so many surprises. They are so vulnerable and dependent; they have some of the characteristics of their parents but are uniquely themselves.

Christmas is always about the greatest gift of God stepping into our world. It's a gift full of anticipation and surprise. The Bible is full of anticipation and hope of God coming to save, restore and bring peace and joy. The surprise starts with how he came. The creator King is born into poverty in a stable in Bethlehem! His life, his death and his resurrection were surprises that changed the world. His influence from then until now continues to surprise in the most wonderful ways. Lives are changed when they receive his gift.

Christmas offers the same gift to us. Jesus came but each day (not only Christmas) he comes to us and say, "Will you receive the gift of God stepping into your world?" There's the same anticipation of love that restores, and peace that cannot be shaken and a hope for the future that we all need. There are also surprises as he works in and through us. It's the most exciting gift to receive.

I pray God will bless you this Christmas and in the New Year.

Rev Tim

## News from St Bartholomew's

This year's Remembrance Service was as moving as always. It was so lovely to see all the youngsters, looking very smart in their uniforms, carrying their "colours" so proudly and carefully. The home-made poppy biscuits went down extremely well, can we have them again next year, please?

Now we start to think about Christmas, and amongst all the busy-ness, please find time to come and recharge your batteries at one of our lovely Christmas services. Contemplating the mystery and wonder of the Christmas story somehow makes it all seem a bit more "worth the effort". And the absolute delight of seeing small children dressed up as characters from the Nativity never gets old! Check the centre pages for times and details of all the services.

If you have lost a loved one this year, you could put an angel in the church porch in their memory. The host of angels gets bigger every year, and every one of them commemorates someone loved and no longer with us. Your angel can be with us permanently, or just for this Christmas, as you prefer.

If you get chance, pop in to church on **Saturday 15th December**, have a look at what promises to be a lovely display, enjoy a spot of lunch, and even get some of your presents wrapped! The Christmas Fairy and the team will be on hand to wrap and trim your gifts (and will even be willing to tackle the odd-shapes that have you baffled!)

January will bring its own challenges; the weather forecast is not great, for a start, so we are trying to remember those people who are not able to be in cosy comfy homes over the next few months. Please consider donating to our local Foodbank, if you can. They are particularly in need of tinned foods that only need heating up (many people in temporary accommodation, for example, do not have access to cooking facilities) but also, heartbreakingly, they always need things like nappies. The church is always open on a Saturday for you to drop off your donations...

## News from the URC

Once again we welcomed Liam Hargreaves to our Remembrance Service and he placed the wreath on the War Memorial. It means a lot to us and makes the service more meaningful to have a person who has experienced recent conflicts.

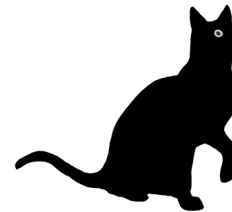

At the end of the service we shared refreshments in the school-room.

The United Churches Guild meets on Wednesday 4th December in the Church Room from 2.30 pm, to celebrate Christmas.

We will share a Christmas Breakfast Club on the 9th December.

We held our annual Christingle Service on Sunday, 17th November. This is always a favourite. We now look forward to our Christmas events:

After the craft session, there will be family games.

Please contact us through the Wick Primary School Office ([Office@wickprimary.org.uk](mailto:Office@wickprimary.org.uk)) if you would like to attend so that we can cater for numbers. ## Friends of Wick School (FOWS)

This year's annual bonfire night was a huge success and it was lovely to see so many people enjoying themselves. The event raised over £2,000 and will make a huge difference to our children's school resources. FOWS would like say a big THANK YOU to everyone who helped, attended and supported this amazing night.

The Autumn term has been another busy one for Wick Guides.

We've enjoyed working on our photography badge with an evening of glow stick photography in the dark, and look forward to future plans to make and use pinhole cameras.

We've had visits from a trainee assistance Dog, run off all our energy at Flip out inflatable assault course and loved seeing the animals and the lanterns at a recent trip to Longleat. We enjoyed a "Fearless Fun" residential week-end in the new forest trying everything from high ropes to canoeing and were proud to be much complimented on our presence on Remembrance Day, although in all honesty we're not sure if it was our smart turn out or yummy home made poppy biscuits that really got us the praise!

If you are a girl aged 10-14 living in or around Wick and would like to come and find out more about us please contact Becky Winterson on bwinterson@hotmail.com, 07940579657

Please join us on Monday December 16th for an hour of "Carols Round The Campfire". 7.15 pm till 8.15. Song sheets and nibbles provided, please bring a torch and your best singing voices! All ages and abilities welcome. Wrap up warm as we will be outside by the fire weather permitting (inside alternative if the weather requires it.)

*(If you are musically inclined and would like to assist with this event/ play an instrument/ offer a party piece etc please email Becky on bwinterson@hotmail.com)*

## Dyrham & Hinton Diversions

### Women's Institute

On Thursday 14th November Dyrham and Hinton WI members met for their annual AGM, which provides an opportunity for members to reflect on this year's meetings and variety of activities and talks. Avon Federation WI representative Lorna Tarr oversaw the formalities of members' votes for nominations of next year's WI committee team. Members expressed their congratulations on the elected 2020 WI committee team and were pleased with the AGM reports. Following on our guest speaker Dr Lucy Grey, inner-city GP, farmer's wife and mother presented a whistle stop tour of women's global health and how women's life expectancy had improved within the modern world from 100 years ago. She explained that women going through the menopause can experience a variety of "many-paws" symptoms and what current medical and natural treatments are available to ease their menopausal symptoms. Lucy touched on improvements in child birth from the last century, mental health issues, domestic violence, and importance of cervical screening, pelvic floor exercises and what local support is available to patients. Lucy highlighted the important of women's bone health and how we can have our cake and eat it in moderation; as ladies with a slightly higher BMI are less likely to sustain bone fractures than those with less bone cushioning. She explained the importance of weight bearing exercises as we grow older as we lose muscle mass and several of her patients stand on one leg whilst boiling the kettle to strength their leg muscles. Lucy's outstanding presentation on women's health and bone health provided an avalanche of questions and received extremely positive feedback from members and non-members present.

## Mothers' Union

On Monday 28th October we held a "Moving on Service" when the branch of Pucklechurch and Abson with Dyrham and Hinton Mothers' Union was officially closed. Mrs. Aurea Hart Diocesan President gave the talk, and the service was conducted by the Revd. Stuart Young. There were 16 members present. Unfortunately, due to ill health the Organist was unable to attend, so also the Deanery Leader. We sang the hymns unaccompanied and the service was followed by refreshments.

## Newcomers and DaHComm

If you are one of the relative newcomers to Dyrham and Hinton (or even if you're not), you are invited to join the circulation list for messages about news and events in the parish. The notification system is called DaHComm, and can send you either emails or SMS text messages whenever something local is announced. There are about 30 messages a year, so it won't flood your inbox. If you wish to receive such notifications, please send your email address or mobile phone number to [dahcomm@outlook.com](mailto:dahcomm@outlook.com). If you want an event or similar publicised throughout the parish, please consider using the web sites (<https://www.dyrhamandhinton.com/> and <http://www.dyrhamandhinton.org/>) to advertise all the details, and request a DaH-Comm message to alert people, via one of:

Sue Webb ([me@webbsuel.co.uk](mailto:me@webbsuel.co.uk)),

Glenn Laurence ([old.po@virgin.net](mailto:old.po@virgin.net)),
