Sad news from Wick Chapel.

We were all devastated with the news that dear Fred Martin passed away in April. Fred, with his wife Tina, was a much loved and loyal member of our fellowship. Nothing was too much trouble for Fred. He was a great support to us, he was practical and he had that cheeky smile, but above all, he was a faithful servant of Christ.

He was buried in the churchyard in Wick with just a few mourners at his graveside. The Reverend Tim Bell and Reverend James Jang presided. When we are back to being able to meet again we will celebrate Fred's life with a Thanksgiving Service.

Our thoughts and prayers are with Tina and her family and friends.

From the parish registers:

Jack Hewett, 29th May 2020, Westerleigh Crematorium

Be Alert

There used to be a car sticker that amused me that said "Be alert Britain needs more lerts"! It comes to mind now that we are being told to stay alert. Were we not alert anyway and likely to stay wary of the Covid virus which we hear about all the time?

It strikes me that it is not just the virus that we should be alert to; but both positive and negative things. There are all the normal dangers but there are also the dangers of those who want to scam people or mislead them with false information.

In the Bible, Peter writes; 'Be alert, be on watch! Your enemy, the Devil, roams around like a roaring lion, looking for someone to devour.' Perhaps personifying evil is a problem for some but we know that there are people who just want to exploit others for their own gain.

Staying alert and watching for danger could leave us frozen like a rabbit in the headlights, but there is lots of good around us. Rather than focusing on the negative things that could happen, we can be aware of them but focus on the positive.

Being alert can mean that we are alert to all the lovely things around us. It's a beautiful time of year and there are so many acts of kindness and thoughtfulness to be seen. We are blessed to live in a peaceful country without the dangers of other parts of the world.

St Paul wrote that as we bring our concerns to God in prayer so we can know his peace. We are to fill our minds with things that are good and deserve praise.

In being alert, we need to be alert to goodness as well as danger.

Doynton Parish Pump

Not much to discuss round the old Pump this month, unsurprisingly. But we do have an update for you, to keep you informed of our response to the current crisis.

Doynton Update

For up-to-date information, and useful links to sources of help and support, please go to the **Doynton Village website**, which is updated regularly: www.doyntonvillage.org. If you do not have access to the internet, some key phone numbers are on the posters displayed around the village. If you wish to join the Doynton Mutual Aid Group on WhatsApp, email doyntonvillage@live.co.uk for details. As well as general updates and information sharing, there are also two sub-groups: **Doynton Kids** and **Doynton Gardening**.

Thank you to all who are supporting **our local Foodbank** by leaving items in the crates in the church porch. As you can imagine, they are experiencing very high demand for their services: a 272% increase in April, compared to last year! Please continue to give what you are able - you can find out what is currently most needed by checking their website:

www.northbristol.foodbank.org.uk/give-help/donate-food

or Facebook page: www.facebook.com/NorthBristolFoodbank

The Foodbank is also asking for cardboard boxes, which they use for delivering food supplies to their clients' homes - these can also be left in the church porch.

If you are struggling financially, and need help with feeding yourself or your family, please call the Foodbank on 0808 208 2138 or 0117 979 1399, or email info@northbristol.foodbank.org.uk. There are also some emergency food items in the 'Share your Spare' box in the church porch for your use.

Safeguarding: these uncertain times can be difficult for a number of people and, if you are worried about someone who you think may be abused or neglected, please do not keep it to yourself. Numbers to call are 01454 868007 (if concerned about an adult), 01454 866000 (children) and, in the evening and at weekends 01454 615165 for any concerns.

Scams: Unscrupulous people continue to take advantage of the situation: please be wary of any unexpected phone calls, emails or visits from people claiming to be working on behalf of government agencies.

And some good news - the **Doynton Village Market** is back! The market will return on **Saturday, June 6th**, and on the first and third Saturday of the month, from 9.30 - 10.00. Operating from the village hall car park, and only in dry weather, you may pay by cash or card. Contact the market controller, Elizabeth Crew, on 0117 937 3168 for more information or to place an order.
