Enjoy the present

Someone has said; "Yesterday was history, tomorrow is a mystery, today is a gift of God, that is why it's called the present."

We could spend time worrying about the past, or the possible future, and miss out on the pleasures of today. It may be that we don't wake up with joy at the prospect of a new day full of possibilities, but there are still things to enjoy.

We can enjoy the pleasure of a cup of coffee or tea, the taste of crunchy breakfast and the freedom to choose what we would like to wear.

The joy of seeing or chatting to a friend or family is something that we no longer take for granted. We have freedom to go out and can enjoy the beautiful countryside around us.

We can appreciate the relief of sitting and perhaps putting our feet up after standing for too long, and at the end of the day there is nothing quite like your own bed!

In the Bible the people are encouraged by being told that; "This is the day that the Lord has made, let us rejoice and be glad in it."

We don't know what is coming and so we should make the most of the opportunities and gifts that we have each day. As we enjoy the little things in life, as well as the special occasions, we can become more grateful and happier people. We can use today to make good memories for tomorrow or just to appreciate all that we have.

We can choose; to worry, or to enjoy the present and make the most of each day as a gift.

News from St Bartholomew's

The Ride & Stride event went VERY well: lots of people popping into church throughout the day, lots of laughter, small children, and cake crumbs. We raised a decent amount of money for the Gloucester Historic Churches Trust, to repay them in some small part for their help with our roof, and were even able to put a few pennies in the church funds too. A HUGE thank you to everyone who came and supported us, especially to Jane Brookman who worked tirelessly, putting up bunting, making signs, providing endless cups of tea to weary wanderers, and doing it all with a big smile.

Talking of church funds, did we tell you that we have dry rot in the vestry? Sorting it out has not been an easy job, because (a) we need permission from the Diocese, (b) we had to find a professional company to treat it that would not cost us a small fortune and (c) we have had to move EVERYTHING out of the vestry and it was all, without exception, very heavy! (Think safes, and metal cupboards full of our precious brassware) But under the guidance of Rev Tim, it is all happening, and should be sorted by the time you get this issue of the mag.

Our first "All Together" service was enjoyed by everyone who came - we had quite a few younger people in church, which was lovely to see, and the children were very good. Rev Tim kept smiling, even when the little ones sauntered nonchalantly out of church! This will be the service on the first Sunday of every month from now on, so feel free to come and help your children build a fort out of hymn books, do some colouring, and give us feedback on what you would like to see.

Harvest Festival was also very enjoyable, with an interesting guest speaker from Transform Europe Now. No Harvest Lunch this year, sadly (maybe next year) but there was yummy cake, to almost make up for it.

The working party on Sat 18th of Sept worked miracles on the look of the churchyard: brambles have been cleared, everything tidied up, it looks amazing! We are very impressed with and grateful for the efforts from everyone.

The replacement memorial angels have started arriving and I will bring them all to church at the end of the month, so that you can choose your favourite. Please feel free to let me know which one you would like to me to order if we don't have anything you feel reflects your loved ones. Email wickchurchwarden@gmail.com

Doynton Parish Pump

Friends of Summers Field: The delicious cream teas in Summers Field on September 12th raised a fantastic £255, which will be used to buy a new multi-stemmed silver birch tree in commemoration of the Queen's Platinum Jubilee later this year. Many thanks to all who provided scones, and to James and Bex, who are moving on from their posts of chairman and treasurer.

On Saturday October 16th, there will be a **Summers Field Autumn Feast**, starting at 6 p.m., with a fabulous ploughman's spread, Doynton apple juice and Doynton beer! Jane Hulm will talk about how she turned around a neglected village orchard in Englishcombe, Bath. Tickets for the evening will be £12 for adults and £6 for under-15s, available via the Doynton WhatsApp group and at the village market – all are welcome! Dress warmly, as doors and windows will be kept ajar. The weekend before the Autumn Feast, we will be taking apples from Summers Field across to Englishcombe to be pressed and pasteurised to produce our first harvest.

Zumba: a new energetic fitness class every Thursday evening, 7.15 – 8.15 p.m. in the village hall, £5 for adults, £2.50 for under-16s. Have fun and get fit at the same time! Contact Lucy on 07403 247764 for further information, or just turn up on the night.

Holy Trinity Church: we look forward to welcoming you to Café Church (October 10th, 10.00 a.m.), when Clare Fussell, environmental adviser to the Diocese of Bristol, will tell us about the new EcoChurch initiative – all welcome.

Please leave any tins or packets you can spare in the church porch for the **Doynton foodbank and North Bristol foodbank** – as urgently needed as ever now that the Universal Credit supplement is being withdrawn

Meet the Neighbours has started up again – come to the Cross House Inn on Thursdays at 2.30 p.m. for coffee and a chat. All welcome.

Doynton village hall: the hall is open again for clubs and parties, and our programme of repairs and maintenance is well under way. New members of the management committee always welcome – if you are willing to commit to a year or two, we would be happy to see you! Contact the Chairman, Mike Blacker, at doyntonvillagehall[at]mail.com.

Doynton and Wick WI: members were back together once again for the September meeting, where Alison Baillie talked about her visits to the Naankuse Foundation Wildlife Sanctuary in Namibia. The animals at the sanctuary are all orphaned or injured and can never return to the wild: volunteers' duties range from acting as surrogate mum to a baby baboon to wrangling (tame ...ish) cheetahs. Next month the speaker is Andy Stowe of East Bristol Auction House – bring along a favourite item for an informal valuation. All welcome at Doynton village hall on October 13th, 7.30 p.m.

Don't forget to contribute your sewn, crocheted, knitted or crafted panels (each 60cm x 100cm) for the massive scarf that will be presented at the **2021 United Nations Climate Change Conference (COP26)** in Glasgow in November. Contact Jane Girling at janegirling[at]hotmail.co.uk for more details.

Dates for your diary

Saturdays October 2nd and 16th, 10.00 a.m.-11.00 a.m.: **Doynton Village Market** for locally produced vegetables, eggs, meat, fish, baked produce, preserves, craft items and more. Please adhere to social distancing and wear a mask, unless exempted. Contact Elizabeth Crew on 0117 937 3168 by Wednesday with your food orders (hint: order your Christmas meat and poultry early!). NB no market October 30th.

Welcome to the news for October

Please email wickparishmagazine@outlook.com with your news items for the November edition by

Wednesday 13th October (please note I need to bring the deadline forward by a week, as I have a "Bit of a Do" on 22nd, and want the magazine to be finished by then!)

Please send copy containing artwork/logos etc as a .jpg file.

Wick WI *Anthea Watts writes:*

The afternoon cream tea on 21 August in the village hall was very well attended and everyone enjoyed being with friends and family. Unfortunately we were unable to use the garden due to rain in the morning. A healthy profit of £364.00 was raised for the Children's Hospice South West. We extend our very grateful thanks to all who attended this event and also for other donations we received. Your support is much appreciated.

At our birthday celebrations on 26 August everybody had a wonderful evening. Our member Helen Williams and her daughter gave a talk and demonstration about the History of Folk Dancing. Some members joined in one dance using sticks which was great fun. The Federation chairman, Sue Murphy together with Angela Brodribb and Mary Berryman from the Sports and Leisure committee were invited to the meeting, and we all enjoyed a cup of tea and delicious birthday cake during social time.

Coming events

28 October: AGM

25 November: Jutta Blumenthal will talk about herbs and spices

News from the Chapel:

We said farewell to Dolly with a Celebration Service at the Chapel led by Reverend James Jang with members taking part. As expected, the Chapel was packed.

On 18th September we held a Cream Tea Afternoon to raise much needed funds for both Target Ovarian Cancer and the Chapel. As usual we were amazed at the number of people who supported us. We raised £597 which will be shared equally. Thank you so much for your support.

It seems sensible **not** to have the usual Harvest Buffet Lunch this year so we will bring a picnic. Please join us if you are able.

Breakfast Clubs have recommenced. These are held on the second Sunday of the month and start at 9.45am

Our Christmas sale will still go ahead on 27th November – more details next month. We hope Father Christmas will not be isolating.

Reverend William Langton Trust

The Reverend William Langton Trust is a charity established for the benefit of the residents of the parish of Dyrham & Hinton. The Trust's aims are to:

1. Provide assistance with the costs of education for young people under the age of 18 (such as school uniform, books or school trips).
2. Provide support to people aged 18 and over to assist with the purchase of tools, clothing or other relevant expenses incurred in support of further studies, training or work-based learning (such as text books, field trips or equipment).

Previous applications have included university course books, a contribution to an interview suit, and contributions for equipment for college courses in music and photography.

Please understand that the charity has limited funds and may only be able to provide a contribution towards an application. Applicants or their guardians should contact Dorothy Miller, who will also be able to advise on any questions or the suitability of an application. Tel No. 0117 9373333.

Boyd Valley Painting Group

The Boyd Valley painting group is a small band of like minded amateur artists who meet once a week at the Dyrham and Hinton village hall on a Thursday mornings from 10.00am until 1.00pm.

The group consists of mixed artistic abilities using whichever medium they choose. It is a self-help group with advice and encouragement freely given with the collective aim to improve individual standards, therefore creating a sense of achievement for those participants just starting out.

The group is run on a "not for profit" principle whereby all members share the modest cost of the hall hire between them; however the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free this year.

Have you thought that you would like to paint or draw but did not know how to start or were too afraid or embarrassed to share your initial efforts with strangers? Well you are not unique in harbouring your self-doubt, we all had those feelings to start with but we were very soon freed from those restrictions by the support, encouragement and guidance of fellow group members.

If you would like to add or improve your skill or just be part of a friendly group please call Andrew Hedges 01179372928 to learn more and register your interest. You will be made to feel most welcome.

Very soon you will achieve a basic ability which you can build upon

Please send any contributions for the next Dyrham & Hinton Diversions to Angela Griffiths (angela.dahparishnews@gmail.com) by **11th October (please note shorter deadline for October)**

Memorial Angels

I have been researching (aka online shopping) for more choices for the replacements for our stolen memorial angels, and have found a few that I think are worth thinking about. I know it is still only October but Christmas comes sooner than you think!

<https://www.etsy.com/uk/listing/1081877539/personalized-memorial-ornament-memorial?gpla=1&gao=1&>

Or there's this angel feather, available either in Oak or silver mirrored acrylic:

https://www.etsy.com/uk/listing/638799565/memorial-feather-ornament-unique?ref=pla_similar_listings_top_ad-1&plkey=1a87e3a0bab385d99e7e47a25458e36eaa663773%3A638799565&frs=1

If you put "Christmas memorial ornaments" into the search engine of your choice, you will find that there are very many different ones to choose from. Please let me know (by emailing wickchurchward-en@gmail.com) the details of the one you have chosen, and I will endeavour to get them all ordered. I have also ordered a selection that you can choose from in church, nearer the time.

*At no cost to you, obviously.

All welcome to our 2021 AGM

Thursday 21 October

7.30pm at the Village Hall

Come and support this vital part of our village life.

Wick Football Club

It's been an interesting "mixed bag" start to the season for teams at Wick Football Club. The 1st team have made an excellent start and have played five games in the league and have won four and drew their last game 1-1 away at Patchway Town. They have also started their league cup run with a last minute win also against Patchway Town with local lad Mike Hardiman scoring the winner in the 93rd minute! They also have a mouth-watering GFA Challenge Trophy tie against local rivals Bitton, the game will be played on Saturday 13th November, KO 2pm.

Our Reserves managerial merry-go-round continues and we are pleased to announce that Chris Simsek and Ian Bright have agreed to take on the reins, with A team manager Mat Headen supporting in an assistant role. They have started the season with a young team in a very strong Bristol Premier Combination Div 1 and have lost all four games so far. We are hoping that Chris and Ian can bring in a few players in to strengthen the squad and with extra training get them that first point. Transition is often challenging; errors and mistakes are part of the process. The young lads the club are asking to be part of this process are having to learn the hard way, but the experience they are gaining currently will offer a positive future. Up the owls!

We regret to announce that we have had to officially fold our A team from the Bristol & District league due to a lack of players; we are hoping this will only be a temporary setback as talks are in progress with an established youth set-up with an aim to provide a pathway for youth players into senior football.

At the time of writing, our new look U18's team kicked off their season with a home defeat against Olveston Youth, only going down 3-2 and they had to play 70 minutes with 10 men. The lads were 3-0 and came back strong with two late goals from Adam Fofana and James Curry, Beau Allen was MOM for some outstanding saves in goal. It's the first season for most of the lads in this league and they have been put in the top elite division and playing against lads that are 2-3 years older. We're sure they will bounce back.

Our vets teams have also started their seasons: sadly, the Over 35's have exited the league cup in the first round after losing on penalties to Lyde Green vets. The Over 45's at the time of writing drew 2-2 in their first league match against Chew Magna with goals from Mat Headen and Clinton Frampton

A Tribute to the late Margaret Fletcher

There must be a huge number of girls and their families in Wick, Doynton and Dyrham whose lives will have been enriched by having crossed paths with Margaret Fletcher. As both a Brownie and Guide Leader in the Village for many years, she will be immeasurably missed by many. She was an amazing human being who was one of the most kind, caring, clever (but modest) people I have ever come across. Working alongside her with both Brownies and Guides over the years, I saw how she brought out the very best in young people, through gentle encouragement, leading by example and calm patience beyond measure, getting them to overcome any doubts or reticence and to realise their potential.

Margaret always took the time to seek out those individuals who might need that 'extra' help or support. Not only did she take the time to listen but also to hear what they had to say. She had us all singing, playing (sometimes silly) games, learning new skills and laughing on many occasions during our weekly sessions on Monday evenings as well as the many Camps over the years. She always had a song for every occasion and around the Campfire Margaret was in her element!

Her funeral was held on 10th Sept at St Barnabas Church in Warmley, where she served as Church Warden. The church was filled to the brim with people reflecting the many friendships, the wide range of groups that Margaret belonged to and her wide set of interests and service to others. All of this was outside of her professional career! (of which I later found out about) Margaret was so very modest, despite being a Professor at UWE and producing many research papers on Children's Diseases and Vaccines.

Margaret passed away at home on 20th August following a shockingly short and unbelievably cruel illness. On behalf of the people of this Parish, I offer my sincere condolences to Nicola and all of Margaret's family. She really was a 'Guiding Light' in every sense of the word and I feel blessed to have had her as one of my friends.

If you are thinking of getting a little more involved with the local parish church, but are not quite ready to go full "member of the congregation", you might like to consider offering your time for something like this. An hour or so on a Saturday morning once every few months, whisking away cobwebs from the windows, dusting and polishing the pulpit, or bringing an armful of flowers to arrange, can be very satisfying.
