Embrace Hope and Change

Why is it that so often when faced with change, we expect the worst? Perhaps the media encourages this attitude, but change *can* bring new opportunities.

Change is part of life, as we grow and develop, but often we prefer to stay with our familiar world. In fact, we would be sad if everything remained the same; if a child doesn't grow properly, or a business didn't modernise and develop. We want to see things improve and get better.

If we can embrace change with a sense of hope, we can find that different can be good, we just need to adjust. There are some changes that are hard to cope with, but even then, the kindness of others can give us hope.

Hope helps us to cope with change, and we can be signs of hope when we are kind to others. With all the bad news these days, our acts of kindness can bring hope in humanity.

Our thanks goes out to those who run coffee mornings, the Toddlers group, organise local events (as seen in the magazine) and those who pick up litter to keep the area clean. These voluntary acts encourage us and give us hope.

We can see hope in nature when we are able to get out into the countryside or open the window to hear the birds. There are more blue skies and the gardens flourish at this time of year; so we welcome the changes.

In all the changes we face in life, God remains a constant source of love and mercy. He offers us hope in each new day and opportunities to show kindness to others and care for our beautiful world. Hope enables us to embrace change.

News from St Bartholomew's

Well, our madcap young curate, Rev Rob Stewart has done his daft cycle round Loch Ness, on his birthday. He is hoping to raise £500 for Macmillan Cancer Support, and has just a little way to go, so please have a look at his fundraising page:

[Rob Stewart is fundraising for Macmillan Cancer Support \(justgiving.com\)](#) or you could just pop an envelope into church with his name on, and let's see if we can't get him to his target.

Now we are turning our attention to the Queen's Platinum Jubilee. People have been working hard to organise a spectacular weekend of fun. The details are all on pages 16 and 17, and it all looks amazing! Any volunteers to help with the scarecrows for the churchyard would be welcomed with open arms! (*see what I did there?*) Contact wickchurchwarden@gmail.com to ask for more info, make suggestions etc. Talking of volunteers, the inevitable need for a litter pick after the picnic is mentioned - PLEASE consider giving half an hour to this, as if we all turned up, it would be done and dusted really quickly. Think of the glow of virtue!

Have you heard of EcoChurch? It is an expansion of the idea of "Caring for God's Acre" that inspired me to begin the wildflower patch in the churchyard - it encourages us to consider not just the churchyard, but all the ways in which we can minimise our impact, and make positive changes. If you have an interest in this kind of environmental thinking, check out the website, [Eco Church \(arocha.org.uk\)](http://Eco Church (arocha.org.uk)) and let us know if you would like to be involved as we work our way to a Gold Award.

If you've ever thought that coming to church is not for you, turn to page 7 to see a searing expose of the secret benefits - you had NO idea!

Please spare a thought for our Foodbank donation box in the church porch; it is needed now more than ever, sadly. They particularly need toiletries at the moment: shower gel, toothpaste and toothbrushes, for adults AND children. Contact them on 07584625082, 0117 947 8441 for an up-to-date list of what they need.

On 24 March Andy Stowe gave a very entertaining illustrated talk about the Two Ronnies, an obvious passion of his. Our members thoroughly enjoyed listening to Andy who was very enthusiastic about his subject. As an auctioneer, Andy had been responsible for selling Ronnie Barker's hand written 'fork handles' script a few years ago.

Some members enjoyed an evening of music provided by the Park Lane Big Band, which was held at Salford on 4 April and had been arranged by Avon Combined Arts committee. On 7 April they also spent an evening learning about the history of folk dancing, with some audience participation included. This was organised by Avon Sports and leisure committee

News from 60 Years Ago:

Two issues of the Dyrham & Hinton Chronicle were published in May 1962. Cuckoos, a species now sadly missing from our parish, feature prominently in the 7th May edition, with many being seen (and heard) over the Easter weekend. Mrs Edwards at the shop reportedly had this to say on the subject: 'From a distance the cuckoo's song sounds mellow but from near to it is raucous.' In more serious news, Good Friday witnessed an accident on Bride Hill with the ice-cream man narrowly avoiding colliding with a cantering horse. Elaine and Thelma Thornell witnessed the incident and reported that the ice-cream van tipped over, throwing all the ice-cream out onto the road: 'When the accident happened the ice-cream man had just loaded up and he hadn't even sold one cornet.'

The 21st May edition of the Chronicle included an appeal for old spectacles, broken or not, with readers being urged to pass them on to Mrs Vincent: 'They will be sent to Africa where qualified opticians will recondition them for the leper colonies.' In more exciting news, the Squire had recently hosted a motor racing event at Dyrham Park, featuring over seventy sports cars. Young reporter Douglas Densley reported the following: 'It was exciting, especially when one of the cars went off the track.' Perhaps the pick of the crop though is this news item from young reporter Clifford Toghill: 'The new road is called the M4. It will run only four fields from my house. There is to be a fly-over at Doddington. Peter Lawson says that the sheds in Little Grove have to come down. The holes they are digging are nearly as deep as I am tall.'

News from the Chapel:

Thank you to all who have agreed to sponsor a display at our Flower Festival which will take place on Saturday and Sunday 9th and 10th July.

As you know Fred Martin passed away in hospital, during the early months of Covid. As we were unable to celebrate his life, owing to the isolation rules, his family want to hold a Thanksgiving Service at the Chapel on Sunday, 8th May at 10.30.

We held our AGM at the end of the morning service on 10th April. Margaret Jones gave a detailed annual report, and we were surprised by the number of events we had managed to hold - with nothing illegal! Linda, our Treasurer, congratulated our small congregation on the fact that our weekly collections amounted to the same as previous years meaning that although we were closed for many weeks, people still gave generously. We are hoping to install Wi-Fi in the sanctuary, and we have discussed the building of a disabled toilet.

On Easter Sunday morning we held a service of praise and, as is our tradition, decorated the empty Cross with flowers and lifted it high on the memorial outside the Chapel for all to see that Christ is Risen.

We are small in number but big at heart and we would love you to join us

Vice-Chairman Update (Dave Beer)

With the season end approaching, it is a good time to reflect on the achievements both on and off the field. I think it is true to say that nothing is accomplished without effort and hard work, and we have had this in spades throughout the season.

A big credit must go to Joe and his assistants who have built an incredible team squad; the players themselves who have represented the club with honour; and the committee, back room staff, sponsors, friends and supporters who have pulled together to make the whole thing possible.

I guess each team begins their season with the hope of success, with only a few reaching their goals. We have had two incredible cup runs, and a titanic tussle with Shirehampton for the league crown. Even with just a few games to go, the title is still in the balance but with Shirehampton just sitting in pole position. Both Wick and Shirehampton have ambitions to play at step 6, and both would likely be competitive at this higher level

Wick Sports Ground has submitted a planning application for the necessary ground improvements, which we hope will be approved.

I must also give a special mention to Chris and Ian, who have turned the fortunes of our reserves around so much so that they have gone from basement strugglers to the division's form team since the turn of the year. We hope that their success continues next season.

As the club grows it is always seeking additional help both on matchdays, and during the week to undertake pitch work, facilities maintenance and cleaning. So if you fancy joining an enthusiastic team of volunteers, and share the success of a vibrant club, then please let us know.

Inspiring and Achieving Together

Head teacher's message

Happy Friday everyone, It has been a lovely week in Wick Primary. Our children have been showing me all of their maths learning this week as I have been popping in to see them. It is great to see how proud they are of their learning. Our Foxes attended a speed, agility and quickness tournament on Monday where they had a ball. Lots of happy, hardworking children taking part. This week we were excited to open our doors again to parents and welcome you in to see our year 3/4 performance of 'What's the crime Mr Wolf.' Our children were amazing!! I thoroughly enjoyed their singing and was so proud to see how much they enjoyed it. A special thanks to all the staff who supported the children in putting on such an incredible performance. Also, thanks to the generosity of our guests we managed to raise over £200 to help fund further performances and Arts events in our school. Thank you.

Finally, apologies, please note the change to one of our **inset days** next academic year - now **Friday 25th November** and not **Friday 2nd December**.
